ces that the rendition of the Mo Wong is incompetent men as pilots. Russell's displeasure for his reprehensible con-

were true it would doubtless vet the question licence is granted him.

Wong, being at the head of a hand of men,

ness effected his escape. Now if this be taken for truth throughout, it simply goes exclusively to prove that the accused was a Taiping Chief nothing more. nor less. But we should add, what is beside the question by the way, that the truth of the statement might well be doubted, in-asamoh as it was proved that the with as had Wong and had been forcibly ejected from his

The Mail however lays down most positively, that it matters not whether piracy or rabelthere may be no mistake about this startling dictain we shall unote our contemporary's words. "Our opponents should recollect that the Tai pings had never accorded to them any political status whatever, and that if the tien Wong himself had taken refuge in Hongkong, it would have been nothing more to less than the duty of our local authorities or have given bitn up." And has our contemporary become reduced o this sad strait in this important argument? If this were his meaning from the first, why could be not at once say sor. He sees that the charge of piracy was in reality one of rebellion, and instead of admitting it, he exolaims in effect—"it's all the same thing " Why then was the man not demanded on a charge of rebellion? Or contemporary's month? dictum will not hold a drop of water. The

"If criminals subjects of China, shall take reluge in Hongkong, or on board the British ships there, they chall upon due requisition by the Chinese authorities, be searched for "and ou proof of their guilt be delivered up." Dismissing the point of the rendition of the Ninth sales, Paten, \$610, sales. Mo Wong baving been demanded on a charge of piracy and made on a charge of rebellion; Shanghai, &c., \$26 to \$29. Bengal, \$23 to 25, and giving our contemporary the full advan-

tage of the irregularity, it simply remains for us to point out the fallacy of his dictim, that the case, because as he livers, no political status had ever been granted to the Taipings the Confederate States of America-no more, small sales no less but precisely the same. A declaration of neutrality was issued in both cases, and that acted alike in each—the one acknow-

Can our contemperary linve forgotten the case of the outrage committed on the Trent! Mesars. Mason & Slidell who were taken from by the British government as belligerents whose capture was deemed such a gross violation of the law of Nations, that war would assuredly have been declared had they not been surrandered. Yet their belligerence was The pusiness of this Company, has been Trans-only based on the proclamation of neutrality. The plaintiff's partner in Canton had accepted forred to The HOME and COLONIAL AS—their political status was never admitted any defendant's proposal to give him \$156,47 on the SURANCE COMPANY, LIMITED, who will

> We refer our readers to the letter of "seve ral chip-masters" on the subject of pilot regulations at the open ports, which will be found

within the dominions of the Empire of China to pronounce who shall, or who shall not not is pilot, ony more than they have the suthoity to prenounce who shall, or who shall not follow the vocation of merchant, or shipwright, or any other occumation.

But the native authorities, with the coucurrence of the treaty Consuls may enact that any foreign ship which may take an unlicensed pilot, shall be subject to a fine-and that any plaintiff i Will you take \$75 for the whole lot? ornigner acting us pilot without a license shall be handed over to his Consul as a vagu- me more than that. hand. The trenty Consular the British Consul at all events may make this enactment binding on all British subjects, by proclaiming it ont it and by obtaining the sanction of the superintendent of Trade, when he can enforce the penalties set forth by the local authorities. Whether the most regulations of Swatow are legally constituted or not we do not know. We deem the subject a very important one, and fancy that Mr. Hart und Sir Rutherford Al-

cook could soon regulate it. We can readily realise that a licensed pilot who would tear up a despatch from the Secretary of the Board of Pilots, and send the pieces book by the bearer as a reply, might with propriety be deprived of his liceusethat is in case the Board were legally constituted, but to send him to the felon's good for one month for the commission of such a toolish act, is assuredly a startling piece of British from your demand. iurispradence.

TOROFERSOR WHEELER, would respectfully attract the attention of the Hongkons Public to the importance of having the Hair Cut and Dressed in an Artistic manner and style. Appropriate to the individual is the cut of the Halr there can be no fixed on prevailing fashion without destroying almost universally the harmony of the four ensemble. Indeed as diverse a-Agents Royal Insurance Company is the contour of the human head and facial out-

line, just so peculiar should be the trim and arranges ment of the Heir. This fact is acted upon by only those Hair-Cutters who possess an inherent judgment in matters of taste, cultivated and improved by incessant study and application. Of this vare class. Professor WHEELER, humbly claims to be one, and the Only One in this Colony, and he medeatly but confidently invites all who may be distrustful of his ability to give him at least a trial before pronouncing an adverse opinion. He may be found at all hours of the day in his Apartments adjoining the Private Butrance of the Oriental Hotel.

tf 1960 Hongkong, 21st July, 1865 HE undersigned having been appointed Agent. I EING obliged to leave Hongkong on account for the above Insurance Office, are prepared D of ill health. I recommend all my patrons

to accept Manine Riene and issue Pilicies on any First-class Sailing Vessels or Scamors on who wish their Hair Cut and Dressed Astistically to call on Professor. Wheeler, being the only the usual terms, payable in case of loss, in China one who thoroughly understands his Profession in Hongkong. POR S WALKER & Co. J W RILIOTY. tf 1981 . Hongkong, 21st July, 1885. M'GUFFIES TATIL forther notice the following Annua Rates will be charged for Fire Insurance COMPOUND TINCTURE OF SULPHATE OF QUININE.

THE highly valuable and restorative qualities of Bark, its specific effect in the cure of intermittant and low fevers, and complaint arising froma general relaxation of the aystem, induced by reeidence in warm climates, its property in restoring and increasing the general health and strength &c. &c., are so generally known as to reade unnecessary any further remark on its efficacy. As this preparation is occasionally sold in an adultearticles by which it is decomposed, and cousequently its effects destroyed, it becomes of much The undersigned baving been appointed Agents importance that it should be procured in a genuine of the above Company at this Port, are Prepared state. The successful results produced from the Glace Alpaca's in all Shades, for Riding Habits, to grant Policies against Fire to the extent of administration of the Compound Tincture of Qui-

tf 1900 Hongkong 15th July 1865.

WEST POINT RICK MILLS. Tillis Katablishment is now ready to receive orders for Rice to be cleaned, and the undersigned are prepared to receive, land, store, clean and ship Rice in any quantities. A new large and very powerful holler has been expressly imported for the Mills, and large gostly additions have been made to the Machinery which is now in full and perfect working order, the improvements which have been effected enabling the undersigned to guarantee the cleaning of Rice in a manner not to Le equalled either by any other Mills in the East, or by the tedious hand labour of the Chinese. The Mills can clean and turn out six bundred picula of Rice in the working day and if greater expedition is required it can be attained. The Godowns are made of granite and are large, airy, and in-surable against fire at low rates. The pier has sufficient water at all states of the tide to allow the largest cargo bouts to lie, alongside and load

Terms can be ascertained on application to the undersigned at the Mills where orders will be recoived. Persons unable to attend at the Mills will be waited on at their offices and all orders carefully and promptly executed DARRELL & Co. tf 1873 Hongkong, 11th July, 1865. WEST POINT SAWING AND PLAIN-

MHIS Establishment having been fitted with several additions and improvements to the Machitail Ton Dealer, nery is now prepared to execute all orders for 29 and 31. Scott-Sawing and Plaining wood and to undertake contracts for supplying wood-work for buildings, furniture and carpenters and joiners work generally.
